

## Satellite Navigation systems take you the wrong way up a narrow track

### From the North:

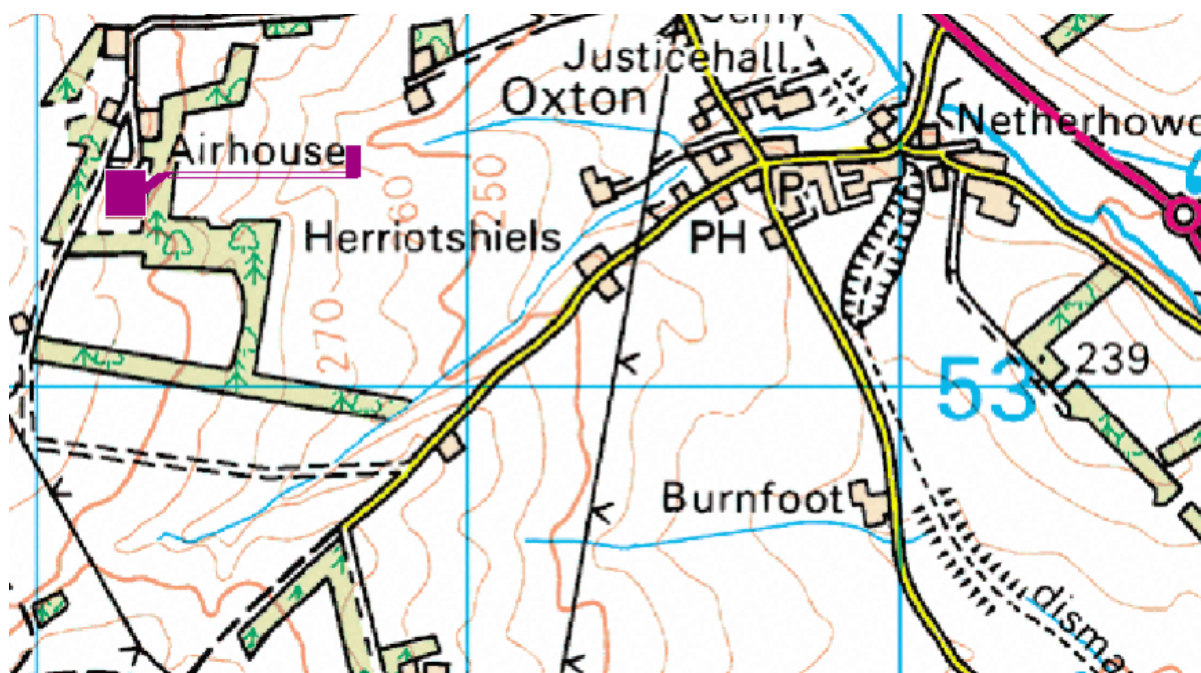

Take the A68 from Edinburgh through Pathhead and over Soutra Hill towards Lauder. The road levels out at the south end of Soutra Hill and there is a turning to the right signposted Oxton. Do not turn to Oxton before you see the sign. (If you come to the Carfraemill roundabout you have gone too far). Turn right into Oxton.

### From the South:

Take the A68 through Earlston, Lauder and straight on over the Carfraemill roundabout. Turn to Oxton on the left just passed the Carfraemill Roundabout.

### Once in Oxton

Keep going through Oxton for 1 mile. You will pass the shop and the pub on the right hand side, then Campbells Haulage yard. Keep going up the hill. The road narrows and as it levels out there is a cattle grid on the right hand side and a large **Purple Sign**. Turn right over this cattle grid and follow the farm road for one mile. This is shown on the map by two dotted lines. You will go over 2 more cattle grids and pass a Hay Shed on your left. Then you will see a Hen House and soon after that there is a turning to the right signposted Reception. Follow the road then you will see the Reception sign and a turn to the right into **Airhouse**.

You can park here then head across the front of the house towards the Reception, which is signposted, to collect your key. If no one is about please ring the bell.

At reception you will need the number of cars in your party and the registration number of your own vehicle plus a mobile contact number.

**Check in time is after 4.00 pm. If there is no answer please call 07785 758375**
