**Fleece to Fibre Workshop**
A session where guests can learn all about the fleece from our sheep. Meet the sheep, handle raw fleece, understanding the washing process, and have an opportunity to try your hand at carding the washed wool. See a Spinning Wheel in action and try to spin your own yarn using a drop spindle. Watch a Border Collie dog training on sheep.
Hot drink and Scottish sweet treat included.

**Duration 2 hours/ maximum 6 pax**
**£85 per person - minimum cost £190**

**History & Animal walk and a Wild Wellness Sauna**

Guests will enjoy a guided tour of our friendly animals. They will get to learn about their care, feed them and hear about their different personalities. They will also learn about the history of the farm and the changing role of animals through the years at airhouses. Airhouses has been a farm for over 4oo years. They can then enjoy a relaxing session in our **Outdoor Nordic Sauna** which includes the use of a luxury changing pod, cold plunge tub, cold shower and seating area. Our ancestors have used this method of cleansing body and mind for centuries.
